Sappari Solutions

About Nettie

Nettie Owens, CPO-CD® is an internationally recognized and award-winning expert, author and sought after speaker on accountability and productivity. Owens' methodologies are brain-based, researched and backed by science. Through training, speaking, coaching, writing, and more than 100 video interviews on "*What Businesses Need To Know Right Now*," (also the name of her latest book) she brings over 17 years worth of ideas on productivity, accountability, leadership, and entrepreneurship to the community and beyond. She seeks to create an environment of success where all voices are heard.
